Série comercial	Série ROLLER 330
Descrição sintética	SOCKET-HOLDER DISC

**Descrição**

The SOCKET-HOLDER DISC from the ROLLER 330 Series is designed for efficient cable management in professional settings. Constructed from engineering plastic, it offers robust durability and impact resistance with an IK07 protection rating. The IP55 protection degree ensures reliable protection against dust and moisture, making it suitable for demanding environments. This model features a 30-meter cable and includes a disconnecter, enhancing safety and operational convenience. The SOCKET-HOLDER DISC is engineered to meet the needs of professionals seeking a dependable and long-lasting cable management solution.
