| Descrição sintética | SOCKET-HOLDER DISC |

Descrição

The SOCKET-HOLDER DISC from the ROLLER 330 Series is designed for efficient cable management in professional settings. Constructed from engineering plastic, it offers robust durability and impact resistance with an IK07 protection rating. The IP55 protection degree ensures protection against dust and moisture, making it suitable for demanding environments. This model features a 30-meter cable and includes a disconnecter, enhancing safety and operational efficiency. The SOCKET-HOLDER DISC is engineered to meet the needs of professionals seeking reliable and long-lasting solutions for cable management.
