DISCO 4 TOMADAS DOMÉSTICAS

**Descrição**

The 4 domestic sockets holder disc from the ROLLER 330 Series is designed for efficient power distribution in professional settings. This robust unit accommodates four domestic sockets, providing a reliable solution for managing multiple electrical connections. Engineered for durability, it ensures consistent performance in demanding environments. The compact design allows for easy integration into various setups, optimizing space without compromising functionality. Ideal for use in workshops, laboratories, and other professional environments where dependable power distribution is crucial.
